TO WHOM IT MAY CONCERN

Ms Debika Banerjee was involved with the Interior design and execution of the Club De Ville at Uditia Housing Complex. It was the setting up of a state-of-the-art 12000 sq.ft. Resident's Club, which includes recreational area, dining facilities, fitness center and swimming pool.

We were very happy with the creativity shown by Ms Debika Banerjee and she carried out the work taking lot of interest and with close supervision.

We wish her every success in her future endeavours.
